Fixture Week 8

7th November 2008

"TTO is not just a good read. When rolled up, it's great for winking fleas out of my ears"

Who's parked in my space?

With two score draws and three 7-5 scorelines, this was a close week in terms of results. As Rhodrons were taking a week out this week Walton have borrowed the number 1 spot, the former champions having played every week thus far.

One result which was not so close in the scoreline but almost indistinguishable on

the dartboard was *Worcester Park's* 8-4 dumping of the *Federation*. The game was drawn after the pairs but the home side took the initiative to snatch 6 of the 8 singles and earn their first win of the season. Roy Pettitt earned his first man of the match this season in a lacklustre game that saw both teams averaging little over 20.

Salfords continue to struggle with the bottom-half teams, coming to a 6-6 standstill with bottom-team *Freeholders*. Dave Askew one again averaged high to earn MoM and wins from Dave Wye, Si McGuinness, Alan Brown and Andy Nye solidified a robust performance from the

Well done WPAC, but look out next week...

Farncombe outfit.

Walton WMC trekked over to Croydon this week to face the **Golden Lion** and made away with the goods, winning 7-5. There were good performances from the Walton regulars, including a well-earned MoM for Aaron Turner, whilst Ray Smith, Terry Dersley and Mick Merry spared the home side's blushes.

The **Princess** eked out their seventh win in a row against **Walton 'C'**. In a close game that could easily have gone either way, both teams averaged high and finishing was top-notch. Peter

Green would normally have won the MoM award for a fantastic 30.76 average in a close game with Dave Horan, but for Paul Neate who, with a 31.31 winning average over Surrey top-scorer Ian Long jumped up to sixth in the averages table and took MoM.

Park Barn hosted local rivals **Fairlands** and emerged from a tight game the victors. Mark Budd and Alan Edge performed particularly well for the visitors, but it was the home side that pulled in the points, the best performance coming from another high MoM-winning average for Ryan

Hitchens.

The **Golden Lion 'A'** travelled cross-country to visit the **Metropole**, but after 36 legs the game was deadlocked. At 6-2 up the Deepcut farmers looked as though they had the game buried, but the visitors redoubled their efforts and came back to earn themselves a draw. Steve Lovett, Ant Hopkins, Martin Putt and MoM Darryl Pilgrim played well to bring the game back from the brink. Each team enjoyed 6 points, but not nearly as tasty as the food afterwards (according to one nameless guzzlebucket).

Help Jugsy Save the Animals

TTO is taking a break from the usual uncharitable page 3 piece this week. Instead, we are promoting a drive by Richard 'Jugs' McLaughlin to 'Save the Animals'. A TTO correspondent caught up with him a few days ago to ask him about his worthy initiative. "Yeah, I want to save the animals, TTO.", said the lanky bread-stick impersonator, "Not ALL animals obviously, that would be silly, but there are a few animals that, for some strange reason, I feel I have a connection to. I can't quite put my finger on it, but it's almost like I know how they feel, like I am almost one of them. I'm talking about certain breeds of antelope, hare and dog, plus donkeys of course, oh yeah, and elephants, there's something about elephants that I can really identify with. I haven't worked out how I'm going to go about it yet. I thought I'd just keep my ear close to the ground for ideas, I will have to bend at the waist to do so, but that's the least I can do. If any TTO readers can help, please have a word in my shell-like. No need to come to me or ring me or anything, just whisper ... if you're within 35 miles, I'll get the message."
