TW3

Apologies for the delay in this weeks issue but as a bonus we have offered you two pages of averages. Fully updated and fairly readable.

This week I would like to thank Ronnie Godbeer and Jimmy Mann for their match report. Please can other teams nominate a reporter and email the details to me. It will greatly improve TTO if we have on the spot reports and we can extend the match info across more pages.....The Editor

NICKNAMES

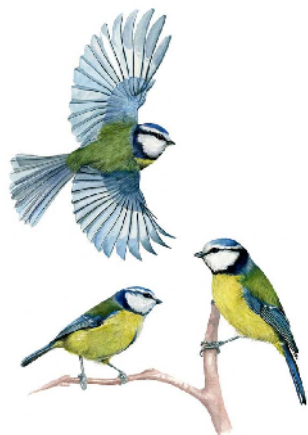

Nicknames seem to be working for Princess as no less than five 15 dart legs were scored in their match against Walton C. This was in addition to the top three highest checkouts. Quality darts such as this moves them up another place on the table and with a team average of 25.65. Walton C didn't let them have it all their own way with two matches going the distance and Darren Hollis taking a win from Wilf.

WWMC A didn't have it all their own way when WPBLB turned up at Walton. Once again the pairs were split and the Worcester Park boys managed to win two of the singles with Tony Hammond hitting a 25.64 and Paul Wenham winning with a 23.21.

Park Barn notched up their second win of the season against St Peters. A strong 25.80 from Phil Brindley and a 15 dart leg from Ray Smith ensured even results in the singles but the three one deficit from the pairs meant that St Peters lost their third game this season. It could have been even better for the Guildford side who were 6-1 up at one point during the evening

Richie Blake closed the gap on Dave Askew at the top of the leader board with a tidy 30 plus average. WPBLA secured another strong win with a 9-3 over WPAC. Dave Cook and Michael Shefford managed wins for the visitors. The pairs were split evenly but WPBLA showed their strength at the start of the singles with 9 legs going to the home side in quick succession. Steve Lovett had another strong game with a 14 dart leg and a 28.06 average despite a 24 dart final leg.

Metropole had another strong win against the Freeholders only losing two singles matches which both went the distance.

RHODRONS REPORTS

The Rhodrons managed to get 8 people to turn up to play tonight. Keith Holmes was determined to sit out his game but after a couple of dodgy legs he won. Jimmy Mann enjoyed his 4 and a half minutes of being man of the mach with a 33 something until someone (a modest Ronnie Godbeer Ed) bettered him . Jimmy was quoted as saying "it's a stupid f*cking game anyway". Phil Waffen weighed in with some heavy tonne points. There was a tense game between Spike and Danny King,you could have heard a pin drop

if Danny had stopped talking. Spike was delighted to knock the king off his throne. Jimmy could be heard in the background saying "this food is a bit of all white ,it must be the albino sauce".Victoria club were not victorious tonight ,better luck next week lads. Quote from Tiller on the night as Phil headed towards the sandwiches "Nooooooooooooooooooooo !". At the end of the night a young Mr Grace said to the Rhodrons " you've all done very well " then left with 2 nurses.

YOOF CULCHER

This week one of our younger players try to inform some of the League dinosaurs about todays Yoof Culcher. Our first guest is Farncombe's very own Skater Boy.

Firstly we need to learn the language so in this occasional series we are starting with A — C

Allow

Don't worry about that/don't do that
 Give me
 E.g. "Allow me some cash"

Beatch

Can mean multiple things, usually a greeting

sup biatch,
 can be seen as an insult

ben

a weight of cannabis (£10 worth)
 "can i have a ben please?"

Blud

Friend or mate

Breadbin

A comedic differentiation on the term 'Bredrin' meaning 'mate' or 'friend'. Normally used in jest

Clunge

Female private parts
 Recently used in TV programme 'The Inbetweeners'

APOLOGY

WANTED...Match day reporters

Budding controversialists required. TTO is looking to recruit match day reporters for each team. Whilst we can do a basic run down of the results nothing beats an up to date, on the spot report. I know every team has regular supporters so please please volunteer. We can edit and tidy it up but this will be the best way to ensure your team hits the headlines every week Email BIGGSY

At last TTO's first apology has to go to Mark Sweetland who was incorrectly named as Highest Losing Average last week. Luckily a keen eyed Vince Nemenyi noticed immediately and rang TTO and backed it up with an email to say it wasn't Mark it was Vince.

Apologies to Mark from all at TTO
